

When a shipment includes light or bulky articles as listed below, an additional loading and unloading charge or weight additive will apply, subject to the terms of this ATVL1000TR. These charges do not apply to articles capable of being safely hand-carried by one person and/or transported in standard cartons.

Charge for light and bulky articles is \$241.55 per item.

Loading and unloading charges include both loading and unloading service and the handling and blocking of such article, and apply each time a combined loading and unloading service is required, including shipments requiring storage-in-transit (except for carrier convenience.)

Light and bulky articles include:

- a. automobiles, pickup trucks, with or without mounted camper shells, sport utility vehicles, vans, dune buggies, or other specialty motor vehicles, any type or size;
- b. motorcycles, motorbikes, go-carts, three or four-wheel all-terrain vehicles, snowmobiles, motorized golf carts, riding mowers, tractors, trailers (including utility and pop-up trailers) (excluding boat trailers, horse trailers, travel camper trailers and mini-mobile homes, see weight additives, below), farm implements or equipment, any type or size;
- c. jet skis, windsurfers, canoes, dinghies, kayaks, sculls, skiffs and rowboats less than 14 feet in length (over 14 feet, see weight additives, below); when mounted on trailer, the bulky article charge will apply twice (i.e. once for each article named and once for each trailer);
- d. satellite television or radio receiving discs/dishes, including mounts, stands and accessorial equipment;
- e. organs, pianos, and harpsichords, any size;
- f. playhouses, doll houses, tool sheds, utility sheds or animal kennels or houses, (transported set-up, not dismantled); and
- g. bath tubs, hot tubs, spas, whirlpool baths and jacuzzis, measuring less than 65 cubic feet in dimension (transported set-up, not dismantled).

Weight Additives are:

- a. boats and sailboats, less than 14 feet in length, are subject to a weight additive of 700 pounds.
- b. boats and sailboats, 14 feet and over in length, are subject to a weight additive of 2,500 pounds.
- c. boat and sailboat trailers, any length, are subject to a weight additive of 1,600 pounds.
- d. jet skis, windsurfers, canoes, dinghies, kayaks, sculls, skiffs, and rowboats, 14 feet and over in length, are subject to a weight additive of 700 pounds.
- e. camper shells, any size, not mounted, are subject to a weight additive of 700 pounds.
- f. travel camper trailers; mini-mobile homes (not including utility and pop-up trailers); campers (excluding camper shells) not mounted on trucks; and horse trailers are subject to a weight additive of 7,000 pounds.
- g. bath tubs, hot tubs, spas, whirlpool baths and jacuzzis, measuring 65 cubic feet and over in dimension (transported set-up, not dismantled) are subject to a weight additive of 700 pounds.
